

Add Sender ID:

Step1. Click on Sender ID and Select Add

Step2. Select the Sender ID Type and give the Sender ID name/Value and Justify the Purpose of Messaging >> Click on Add Sender ID Button.

The image shows a form titled 'Add a Sender ID' with the following fields and annotations:

- Sender ID Type:** A dropdown menu set to 'GSM Sender ID'.
- Sender ID Value:** A text input field containing 'JOB'. A purple arrow points to this field from a callout box.
- Justify [Purpose of Messaging]:** A text input field containing 'recruitment'.
- Callout Box:** A purple-bordered box containing the text 'Type your Sender ID (Max. 8 Char.)' in red.
- Add Sender ID Button:** A button at the bottom with a purple arrow pointing to it.

Now your Sender ID has been added.

Hello **XXXXXXXXXXXX**

Your Sender ID **JOB** has been added
Sender ID Activation may take around 48 hours
You will receive the confirmation mail, once your senderid is activated in your member account.
